### FULL POWER OF ATTORNEY WITH AUTHORISATION TO DELEGATE

I/we hereby assign to InterStation Ltd, the full authority to legally represent and safeguard my/our interests, including the right to bring bankruptcy in assemblies of creditors, to examine allocation plans and, if necessary, to contest them, to negotiate according to its own judgement with regard to settlement agreements, and also specifically to oppose settlement agreements, to sign jurisdictional agreements and arbitration contracts, to represent the Principal to the legally possible extent before all courts, administrative authorities and especially to institute proceedings, resort to legal measures, relinquish claims and enforce judgements and settlements, to conclude settlements in and out of court, to respite payment to debtors, to receive moneys of all kinds, also specifically securities and documents deposited with courts or authorities, to have official certifications and land register entries made, to cause contested items or the compensation for costs of litigation to be surrendered and to validly acknowledge receipt thereof, as well as to perform all acts for which laws require a special power of attorney, and according to its own judgement to delegate another representative or several other representatives, jointly or separately, indemnifying them against any servitude's and costs resulting from the commission. The present power of attorney can be assigned to practising lawyers in order to conduct a lawsuit.
